

PRESS RELEASE

NEW ON CHESHIRE AND WIRRAL BOOKSHELVES THIS MONTH is a completely revised edition of a classic Cheshire walking book, ***Walks in West Cheshire and Wirral***, by local author Jen Darling, published by Cheshire outdoor and leisure specialists, Northern Eye Books.

This beautifully presented book with its eye-catching cover contains 30 of the best tried-and-tested circular walks through Cheshire and Wirral's green and varied countryside. Each carefully selected walk explores one of the loveliest, most striking or unexpected corners of West Cheshire and Wirral.

With its fascinating introduction, snippets of local history and folklore, optional short cuts, suggested pubs and cafes, and superb photography, this book will undoubtedly appeal to walkers of all ages and abilities – making it the perfect Christmas present for just about anyone who enjoys the outdoors.

With this pocket-sized book in their hands, walkers will discover – amongst many others – a Roman road and a clifftop hillfort, a village cross, a Norman castle mound, a moated farmhouse, a stone elephant and two sunken ships, as well as a flooded forest, a one handed clock and the weird and wonderful 'Cathedral of the Canals'.

Paperback, 160 pages, generously illustrated with over 50 black-and-white photographs, an attractive 8 page full colour section, useful fact files, numbered directions, and clear, easy-to-follow maps.
